

Ghana Missions Update

Mission Exposure Trip

Edition 3

July 2025

Dear Prayer Partners,

We are thrilled to share with you God's faithfulness through the recent Mission Exposure to Ghana.

For a period of 14 days, a team from the United States, Nigeria, and Ghana journeyed across Ghana, preaching the gospel of our Lord Jesus Christ, providing medical care, and demonstrating God's love in Word and deed. God graciously provided willing volunteer medical personnels to join us in this endeavor. Medical consultations were provided, and medications were given, tailored to everyone's specific medical needs. We thank God for the success of the outreach and testimonies of lives touched by compassionate care and healing.

From the rural communities, we journeyed back to Accra for a two-day outreach. There, we continued ministering through gospel preaching, food distribution, and medical care, culminating in a Sunday worship service with the local believers. Our destination stop was Cape Coast, where we visited several churches to encourage leaders, strengthen believers, and introduce the Emmaus Bible Courses as tools for deeper discipleship and spiritual growth. One of the highlights was a gospel music concert (Heralding the Gospel through Music) at the University of Cape Coast, organized in partnership with local churches. It was a powerful night of worship.

With hearts full of gratitude, we thank God for the privilege of proclaiming His Gospel and reaching lives through mercy missions outreaches. The Ghana Mission Exposure 2025 stands as a testimony to God's faithfulness, and we look forward to advancing His work in even greater ways next year.

Thank you for your continuous support

Serving till He comes,
